

Bye Cindy

To the Editor:

Cindy Hennessy resigned from the Colton Planning Board on Jan. 3, 2008. She had requested at the Town board meeting the night before that Jim Plumley attend all Planning Board and ZBA meetings to help the Board in answering questions from Board members and applicants. She was told by Mr. McNamara that Plumley could attend only if "he keeps his lips closed." Only Mr. McNamara could answer any and all questions that would arise. He determines policy, not Plumley. I thought the Town Code determined policy.

Cindy and Tim Hennessy, both, have done so much for this Town, year after year. Tim was our Supervisor for many years. I had the opportunity to work with Tim and was always proud to do so. A great man. Cindy has done the same for this Town by trying to help every person in this Town regardless of who they were and what they applied for.

Thanks, Cindy. We all will miss seeing you on the Planning Board.

A former CEO and past
Planning Board member,
