

Colton GOP

To The Editor:

To Members of the Colton
Republican Party:

Everyone talks about the need for change. What we really need is a return to the values that made America great: hard work, personal integrity, responsibility, representing people not special interests, and doing the right thing regardless of political affiliation.

Our goal is to establish an active Republican Committee in the Town of Colton. A Committee whose purpose would be to hold open public meetings periodically and to keep local voters informed of the issues and concerns of the Town. An active local Committee would assume some of the work responsibilities of the County and State level by developing support for Republican candidates who best represent the interests of all residents of the Town of Colton.

We believe that Republican Committee Members should support Republican candidates. Please vote for Republican Committee Members in the Colton Primary on Tuesday, Sept. 9, 2008 between noon and 9 p.m. District 1: Peggy Mousaw and Reggie Stowe and District 2: Rick Wood and Edwin Wright.

Your vote does make a difference. Thank you.

Peggy Mousaw
Reggie Stowe
Rick Wood
Edwin Wright
