

## Democrats

To The Editor:

The Democratic Committee for the Town of Colton is asking for your vote at the Sept. 9, 2008 Primary Election being held in both Town of Colton voting districts from noon-9 p.m.

To carry on the work of the Democratic Party for the Town of Colton, the following are asking for your vote: District 1, Hamlet of Colton: Joan Kilroy and Sally Seymour, District 2, Hamlet of South Colton: Mary McKinley and Daniel McNamara.

The Democratic Committee is reaping results and has advanced the party status in the Town and in the County. Over the past years, there has been an increase in the number of registered Democrats for the Town. Colton has a large number of new voters in 2007 and the November election brought three new Democrats into Town government. This is the first time that the Democrats have had a majority on the Town Board.

Members of the Committee work hard all year long to bring Democrats into the positions of leadership. The Committee is often contacted by the County Chair to support specific projects and to work in other areas of the county.

The current members of the Committee are proud of the work that has been accomplished and ask you to re-elect them to Committee. We are making wonderful strides and ask that you help them to keep on going and to help us to keep in growing.

Please vote Joan Kilroy and Sally Seymour in Colton, District 1 or for Mary McKinley and Daniel McNamara in South Colton, District 2.

Joan Kilroy

## Endorsed

To The Editor:

As newly elected Colton Town Board members, we would like to take this opportunity to endorse the following Democratic candidates for Committee persons for District 1 and 2. Our belief is that Sally Seymour and Joan Kilroy, District 1, Colton, and Mary McKinley and Daniel McNamara, District 2, South Colton, have served our Party well.

We can personally attest to the overwhelming support that was extended to us during the recent campaign for Councilpersons. Not only were we approached and sought out, we were made aware of the many issues that needed to be addressed if we were successful.

Certainly, as your Democratic representatives, we understand our roles, and responsibilities and can maintain fairness/objectivity in decision-making. We surely are aware of the current issues facing the Town.

Not only have we begun to address major points stated in our campaign platform, we have also been able to work cooperatively on many issues in a bipartisan manner with our fellow Board members. During the past nine months we have tried to follow the dictates of the November 2007 voters through making appointments to key boards/committees by choosing people of the Republican Party, Democratic Party and individuals of no party affiliation. Many of these people have not been involved before in Town government and are currently doing an excellent job by giving valuable input and effort in their respective board/committee decisions.

A Party leadership that has brought about this type of representative team who has been able to work with their Republican colleagues on the Town Board, deserve to continue being Democratic Committee representatives in their respective districts.

Please support Joan Kilroy and Sally Seymour, District 1, and Mary McKinley and Daniel McNamara, District 2, on Tuesday, September 9, from 12 noon-9 p.m.
