How Your Gazebo Will Arrive

- Standard: 6'-12' Wide gazebo's are delivered fully assembled and ready for same day use. 14' Wide Gazebo's can be delivered, but extra permits & escort fee's are required. 16' and wider gazebo's must be delivered in kit form.
- Option 1: Gazebo's can be ordered in kit form for sites that are inaccessible. They are built to your specs, then disassembled into large sections that are simply reassembled on your property. These are delivered shrink wrapped on a pallet ready for assembly.
- Option 2: Crane rental available and sometimes cheaper or more convenient than kit assembly.
