

HOMESCHOOLER MAGAZINE

[mockup cover]

THE LOUNGETEER

geared towards 6-h students

Created by homeschooler Brian Zick, the **Loungeteer** will be made (almost) completely of things sent in by readers. Showcasing the creativity of homeschoolers, and also including articles of interest to our readers.

Deadline to have your work in the first issue is a month prior. The Loungeteer will be released quarterly; shipped

by the end of **February, May, August, and November**. You may, however, continue to send submissions for release in the next issue after that time. The editor will choose what goes into the magazine, on standards of quality, craftsmanship, and originality.

Submissions must be sent by the end of **January, April, July, and October** to be considered for the following issue.
